Theme: Beyond Compliance: Advancing a Holistic Approach to Occupational Health, Safety, Environment, and Corporate Governance

INVITATION

Dear Friends and Colleagues,

It gives us great pleasure to invite you to the 74th Annual Conference of the Indian Association of Occupational Health (IAOH) – Mumbai Branch, to be held at Mumbai Cricket Association (MCA) Club, Bandra Kurla Complex, Mumbai, on 4th and 5th April 2026.

This year's conference theme, "Beyond Compliance: Advancing a Holistic Approach to Occupational Health, Safety, Environment, and Corporate Governance," highlights that true excellence in occupational health and safety lies in integration, innovation, and proactive governance – not just compliance.

The conference will feature renowned experts who will share their insights through keynote addresses, symposia, technical sessions, and free paper presentations.

We anticipate participation from practicing occupational physicians, academicians, researchers, epidemiologists, ergonomists, safety professionals, HR/IR leaders, industry representatives, trade union members, and key decision-makers.

We look forward to welcoming you and engaging in meaningful discussions that shape the future of occupational health.

Dr. Joel Samuel
President – IAOH Mumbai Branch
